

Our Half-Day Sea Kayak Adventures

STARS	WE CALL THIS	YOU WANT TO KNOW ...
★	Easy Paddling	On a flat day, the entire Bay is easy paddling, however, we cannot predict flat days so this rating applies to Estuary Tours only.
★★	Moderate Effort	Suitable for everyone! This is a high-tide launch, so easier to start with. Paddling with kids older than 4 but younger than 12? Parents do most of the paddling; be prepared.
★★★	Potentially Tough	A greater challenge. This tour starts on low tide (between May and Aug 1), which can mean windier launch conditions. Tough guys will laugh in the face of adventure; normal people may struggle. If paddling with children under 12, winds could be a challenge.
★★★★	Hard Work	Eat a good breakfast! This applies to tours that begin on a low tide in August when the winds traditionally get stronger. We do not recommend this to parents with children under the age of 14. Some paddlers may find this a workout.
★★★★★	Blood, Sweat, Tears	Does not apply to Half-day Tours. If we believe the weather rates Five Stars, we will reschedule to a better time. (Five Stars applies to Surf Ski Tours for experienced paddlers).

Important Note:

These ratings assume worst-case conditions based on historic weather patterns. Since weather conditions change daily (and alter year-to-year), what is rated above as a Four-Star paddle, could actually be a lovely and calm Two-Star paddle! If you have any questions, please feel free to call. We will help find the best paddle experience for you and your family and friends.
